

Dear Community Leader,

Our community service organization, the Parrot Head Club of Baton Rouge, has an exciting event planned for the Spring of 2024. It is our 26th Bike Ride for Our Environment! We are asking for your organization's support to ensure the success of our effort, with proceeds to be donated to the Bluebonnet Swamp Nature Center and the Nature Conservancy of Louisiana.

There are over 200 local chapters of Parrot Head Clubs in the United States, plus several clubs worldwide. The Baton Rouge chapter was formed in October 1994 and we are proud to have nearly 100 active members as of December 31, 2023. Although the underlying draw of the club is a mutual admiration of Jimmy Buffett and his music, the club's focus is to provide voluntary support for local environmental and community concerns. Groups of civic-minded Parrot Heads in cities across the country decide how they can best serve their community. All work is voluntary and all in the name of Jimmy Buffett, a well-known advocate of preserving our environment.

Some of our local club's accomplishments:

- We have held 25 Bike Rides for Our Environment, raising over \$64,000 for our two primary environmental concerns, while promoting our club and the ride sponsors.
- We have assisted with trail-blazing projects at the Mary Ann Brown Nature Preserve in St. Francisville to facilitate the trails leading to campsites for youth groups. We have participated in clean-up projects at the LSU Lakes in Baton Rouge and several local roadways. We have also helped with trail clearing for walkways to be built through the Bluebonnet Swamp Nature Center and served as guides for their grand opening. We also helped with their Annual Snake Fest and Rockin' in the Swamp.
- We have provided Christmas dinners and boxes of food, books, clothes, and toys for several needy families every year since our inception.
- We have assisted the Alzheimer's Association "Walk to Remember" for the last 20 years. We assisted the Children's Miracle Network at the CMN corporate volleyball tournament for 12 years. We have volunteered for the St. Jude's Dream Day Fishin' Galore the last 18 years.
- We were honored by Volunteer Baton Rouge in December 1999 as volunteer group of the month, received the "Angel Award" from Alzheimer's Association in 2001 and awarded a plaque of appreciation from Bluebonnet Swamp Nature Center in 2005.

The event that we are planning for April 6, 2024 will consist of bicycle rides in our nearby St. Gabriel, with

home base at the Istrouma Brewing Co. The funds raised will benefit the Bluebonnet Swamp Nature Center and the Nature Conservancy of Louisiana.

This is where YOU come in. For this to benefit our community, we rely on corporate donations. Enclosed is a form to guide you in deciding how your company can help. Any donations of money, time or other resources will be appreciated. This is a tax-deductible contribution and our nonprofit ID # is 72-1279676. We are aware that there are many groups approaching you for donations, but we would like to point out that the funds raised will stay right here in the Baton Rouge area and will benefit generations to come. If you would like more information call 225-241-8657 (Mike Broussard).

With all of us working together we can expect another fun and productive day. If any of your employees enjoy biking, we would love to have them join us. Thank you!!!

Sincerely,

Mike Broussard - Chair,
